

**DON'T
DISCRIMINATE**

**AGAINST
PEOPLE**

**WITH
EPILEPSY**

CHOOSE
TOLERANCE
OVER
IGNORANCE

Know the facts about EPILEPSY

- Epilepsy is not a “mental illness,” it’s a physical condition
- Epilepsy is not contagious
- Most people with epilepsy who are treated can go to school, work and have normal lifestyles
- Epilepsy affects 1% of the population, and cuts across all ages, sexes and races

The Anita Kaufmann Foundation

Educating the public not to fear epilepsy and seizures
